Corrigendum

Two tales concerning skeletal muscle

David J. Glass

Original citation: *J. Clin. Invest.* **117**:2388–2391 (2007). doi:10.1172/JCI33379.

Citation for this corrigendum: *J. Clin. Invest.* **118**:820 (2008). doi:10.1172/JCI33379C1.

The author wishes to revise the penultimate sentence of this article (page 2390) for clarity.

The corrected sentence appears below.

More immediately, a strategy to inhibit the dysregulation of nNOS activity in skeletal muscle may be beneficial.

Corrigendum

Intestinal adherence associated with type IV pili of enterohemorrhagic *Escherichia coli* O157:H7

Juan Xicohtencatl-Cortes, Valério Monteiro-Neto, Maria A. Ledesma, Dianna M. Jordan, Olivera Francetic, James B. Kaper, José Luis Puente, and Jorge A. Girón

Original citation: *J. Clin. Invest.* **117**:3519–3529 (2007). doi:10.1172/JCI30727.

Citation for this corrigendum: *J. Clin. Invest.* **118**:820 (2008). doi:10.1172/JCI30727C1.

During the preparation of the manuscript, an incorrect image was inadvertently submitted as Figure 3A. The existing figure legend is correct.

The correct Figure 3 appears below.

The authors regret the error.
